

NURSES ON THE FRONTLINE

#MyNursesREADY

We celebrate and thank you this International Nurses Day!

Dear Nurse Margaret,

Thank you for making sure I knew, right from the beginning, why it was so important to take my ARVs and to have a good diet and exercise. I would not have returned for treatment if it had not been for you, your welcoming smile and your willingness to explain things to me over and over again.

Thank you again,

Siphokazi
