7

**IMPACT**

- Mobilised and strengthened frontline health providers
- Improved access to quality HIV treatment, care and support services for children and adolescents living with HIV

Day One

**#READY to Integrate HIV and SRHR Services**

Day Two

**#READY to reach and serve all**

Day Three

**#READY for Clinic-Community Collaboration**

# Day 1: Wednesday 16 October 2019

- Regional update against the AIDS Free agenda
- HIV and SRHR service delivery – are we delivering?
- Africa Café Workshops: Showcase examples of HIV-SRHR integration, highlighting models that are both promising and scalable within low-resource clinics in the region
- Skills-building sessions: Provide opportunities to improve skills in counselling for choice and how to establish and maintain effective safe spaces that recognise adolescents and young people as equal partners in the managements of their own health and wellbeing

**#READY to integrate HIV and SRHR services**

# Day 2: Thursday 17 October 2019

- Who is being left behind?
- Regional overview of policies, guidelines and legislation that accelerate or hinder HIV and SRHR service access
- Uncovering our blind spots and exploring strategies that reach and delivery stigma-free, gender-sensitive services for the most marginalized young populations

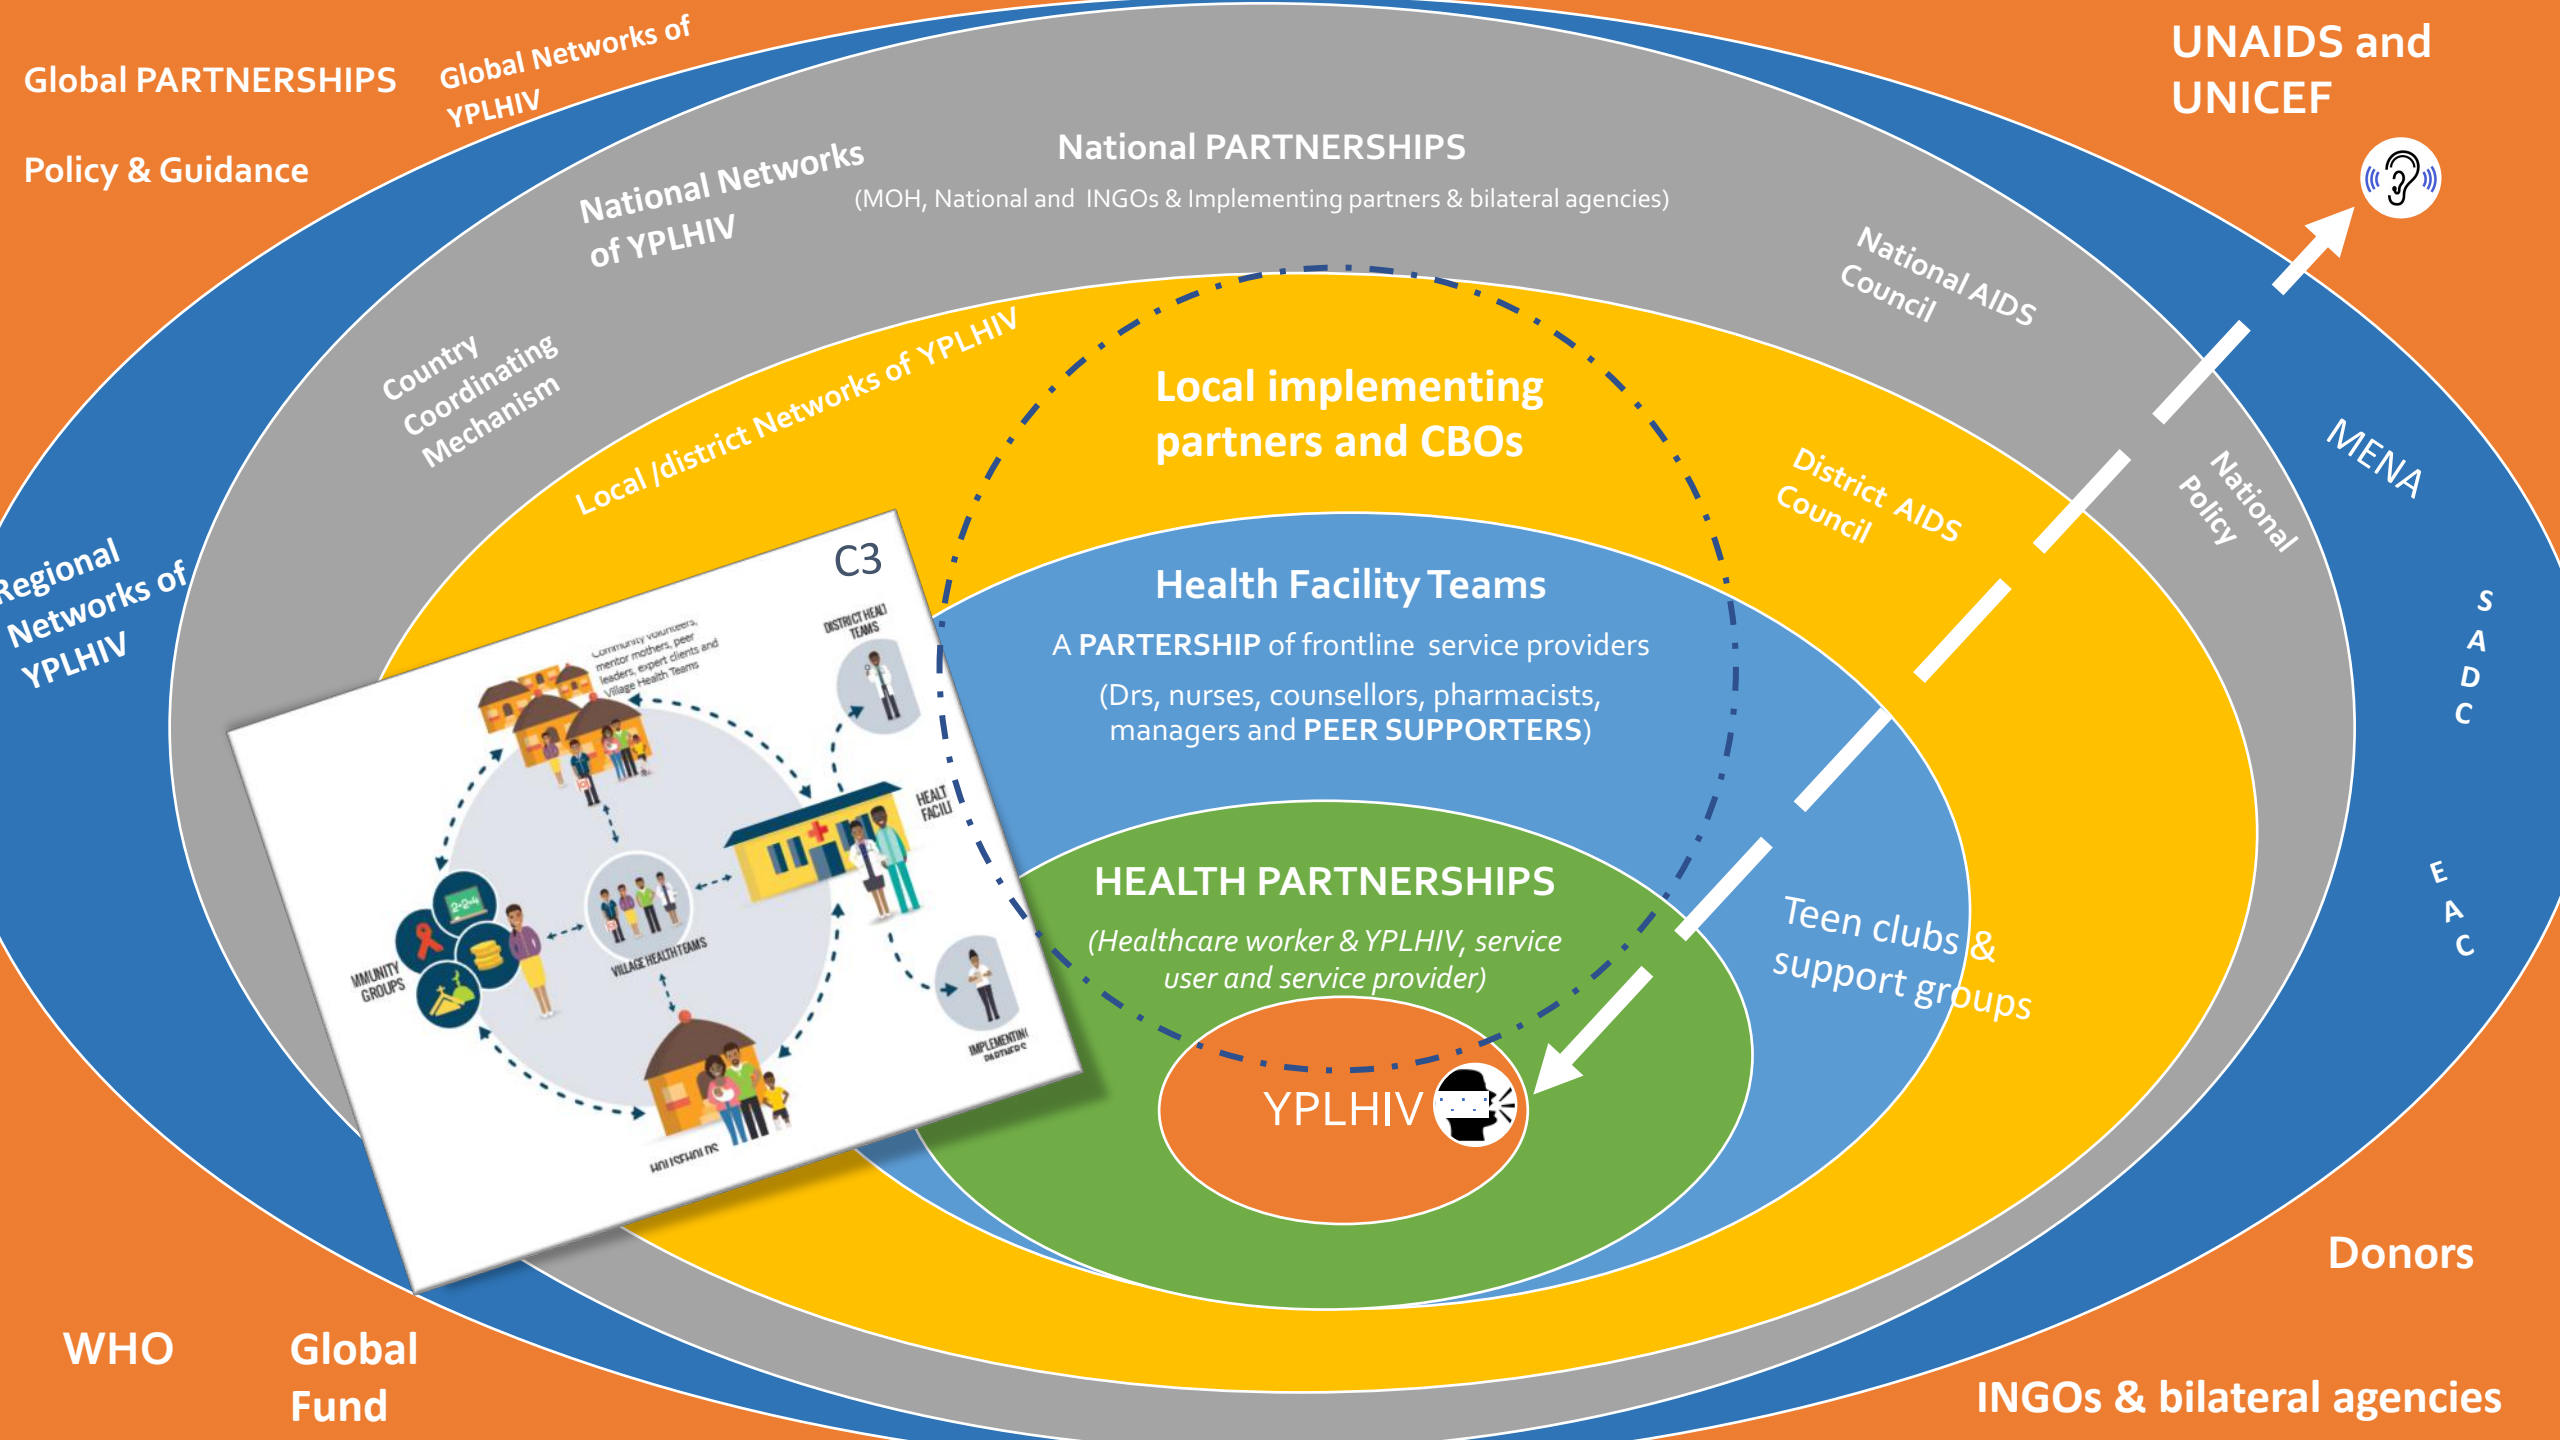

**#READY to reach and serve all**

# Day 3: Friday 18 October 2019

- Overview of progress made against global and regional commitments to community engagement and partnership
- Highlight and build skills in service collaboration and partnership
- Wrap up: Highlight key lessons and service delivery priorities that have emerged across the summit
- Closing dinner and PATA 2019 WOW Awards: Celebrating three days together and acknowledging exceptional service providers

**#READY for Clinic Community Collaboration**

# #READYTogether

# Logistics
