

Support children with symptoms to go for testing

Give age appropriate information and reinforce positive behavior like washing hands and covering mouth and nose when coughing or sneezing

Provide love, care and protection

Explain what is happening and reassure children

Listen to what a child might want to tell you, e.g. that they are not feeling well, or that they are scared

Provide child friendly spaces in hospitals

“ Support children during the Coronavirus outbreak ”

If activities or school are cancelled, find alternative home based outdoor activities so they do not become bored
