Pillar 4: Addressing rights, gender equality, and the social and structural barriers that hinder access to services

<p><i>At country level: Support countries to build a society free of stigma and discrimination</i></p>	<p><i>At service delivery level: Promote program design that is gender and age sensitive, stigma and discrimination free</i></p>	<p><i>At community level: Build capacities among communities to monitor and hold accountable</i></p>
<ul style="list-style-type: none">➤ <i>Adopt and track 10:10:10 targets defined in the Global AIDS Strategy</i>➤ <i>Remove legal and policy impediments to care</i>➤ <i>Increase access to justice and strengthen social protection policies</i>➤ <i>Utilize data from the PLHIV Stigma Index to strengthen advocacy that progresses human rights and gender equality and challenges stigma and criminalization of key populations</i>	<ul style="list-style-type: none">➤ <i>Implement gender- and age disaggregated data on service coverage</i>	<ul style="list-style-type: none">➤ <i>Build awareness, capacity build and resource efforts to increase community-led monitoring , to document human rights violations and service delivery experiences of clients</i>➤ <i>Strengthen meaningful representation of women living with HIV, adolescents and carers</i>
